Subject: **Declaration of Conformity**

Reference: **All our insulators**

We hereby declare that all our insulators are **manufactured by us in Italy with compression moulding using only** polyester material reinforced with fiber glass “**BMC RF3/20**”, supplied by POLMIX SPA, UL certified file nr. E205214, or “**BMC RF9/20**”, supplied by POLYNT SPA, UL certified file nr. E111031.

Both the materials are class **HL3** according to the **EN45545-2**, certified by CSI SPA.

The female inserts of insulators are **manufactured by us in Italy** and made of galvanized steel or brass.

Moreover, they are in conformity with the provisions of the European standards and in particular of:

- Council Directive 2014/35/EC (February 26, 2014) on Low Voltage Equipment Safety;
- EC Regulation 1907/2006 concerning the Registration, Evaluation, Authorization and Restriction of Chemicals;
- Council Directive 2011/65/EU (June 8, 2011) on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

All our products are **UL certified**  **US**
with file nr. E502533 and file nr. E502534 for ones with operating voltage above 1000V.
We confirm all the electrical and mechanical characteristics as we declare.

Our brand ERIB has been registered under no. **IT01.IT/2892.115.T** in the National Register of Italian Manufacturers “**100% Made in Italy Certificate**”.

Kind Regards
